

Brain Booster Clinic

Brain Booster Clinic creates an engaging environment where your child can discover tools for thriving in school and life. This improves the core skills for learning:

attention, auditory processing, logic & reasoning, memory, visual processing and processing speed.

- ✦ *Learn to set goals*
- ✦ *Discover the secret power of your own attitude, work ethic and motivation*
- ✦ *Learn cool tricks to memorize things easily*
- ✦ *Play fast-paced games that exercise the brain skills that make it easier to think, read and learn.*

Brain Booster Clinic offers 8 sessions **August 20-23 & 26-29** for students:

In grades 3-6 at 9:30-11:30am

In grades 7-9 at 1-3:30pm

In grades 10-12 at 4:30-6:30pm

For information and to register by August 12, contact **Lynne Brown** at

Oak Learning Centre
