DRAMA | THINKING SOCIAL | GAMES

Join Drama & Art teacher Sheila Dyer and the staff at OKCYS for Drama & Thinking Social Summer Fun Program! Children will work on social skills through puppetry; they will create their own characters and learn the skills needed to communicate with them. Sheila will also work on developing some life skills, i.e. simple food preparation, setting the table, sewing, creating an 'ice' tea or lemonade party.

** Minimum of three children signed up in order to run each week's program**
